Special post Beaver Camp edition

Please check email Sunday morning to see if church services will be outdoors or on Zoom

The theme for our Beaver Camp retreat this year was based on the basic foundational truth of "Jesus Loves Me, This I Know". Anna Warner's simple poem, *Jesus Loves Me*, has been translated into more languages than any other. Even after 160 years, it remains the Number 1 children's spiritual song around the world. It was a joy to see the little children fully engage in singing this song that they know and love. Our theme verse this year is found in John 15:9 - "As the Father has loved Me, so have I loved you. Now remain in my love." Zach Atwell shared a wonderful testimony of how Jesus' love was evident to him during various points in his life. Abel Larkin brought the Sunday morning message and led us in beautiful times of worship to God. We enjoyed singing around a campfire on Saturday night and participated in a variety of activities over the weekend. It was great to reconnect with our church family. We certainly missed those who were not able to attend this year and look forward to our 30th annual retreat in 2021 when we can all attend together again. We thank God for Beaver Camp and the ministry that happens there.
